These Conditions govern all Contracts entered into by Seller for the supply or sale of the Goods to Buyer or performance of the Services for Buyer. Any order given to Seller or the acceptance of any tender issued by Seller shall be deemed to constitute an agreement to be bound by these Conditions.

3. OTHER PRINTED OR STANDARD CONDITIONS

It is agreed that only these Conditions shall apply to Contracts between Seller and Buyer for the supply or sale of the Goods and/or performance of the Services and any documents emanating from Buyer which contain printed or standard conditions have been and shall be sent by Buyer and received by Seller on the understanding that they appear on Buyer's documents because they are printed thereon but have no legal effect whatever and Buyer waives any rights which Buyer otherwise might have to rely on such conditions.

5. LICENCES OR PERMITS

6. DESCRIPTION

- 6.1 All Goods are supplied subject to reasonable availability to Seller of suitable materials and components. Seller reserves the right to substitute suitable alternative materials and components where necessary.
- 6.2 All designs, drawings, descriptive matter, weights, dimensions, specifications and other information contained in or published on Seller's brochures, catalogues, websites and advertising material are approximate and by way of information only, and are intended merely to present a general idea of the goods or services described therein and shall not form part of the Contract, or give rise to any independent or collateral liability of any kind. 7. SELECTION OF GOODS AND SERVICES

- Buyer:
- 7.1 acknowledges that selecting goods and/or services requires Buyer to use its own skill and judgement as to which of Seller's goods and/or services meets Buyer's requirement;
- 7.2 warrants that it has such skill and judgement and undertakes to exercise it at all times in selecting goods and/or services;
- 7.3 agrees it will be responsible for ensuring that goods and/or services selected are fit or suitable for Buyer's purpose; and
- 7.4 agrees that Seller shall not be responsible for any selection made by Buyer and will not have any liability to Buyer for any loss, damages, costs or expenses suffered by Buyer as a result thereof.

8. PRICE, TENDERS, PACKING AND CARRIAGE

All prices quoted are valid for the period stated on the quotation or if no period is stated, 30 days or earlier acceptance by Buyer after which time they may be altered by Seller without giving notice to Buyer.
- 8.2 Seller reserves the right by giving notice to Buyer at anytime before delivery or performance to increase the price of the Goods and/or Services to reflect any increase in the cost to Seller which is due to any factor beyond the control of Seller (such as, without limitation, increases in raw materials or labour, foreign exchange fluctuation, currency regulation or alteration of duties), any change in delivery dates, quantities or specifications for the Goods or Services which is requested by Buyer or any delay caused by any instructions of Buyer or failure of Buyer to give adequate information or instructions.
- 8.3 Any tender made by Seller may be withdrawn at any time before acceptance. If not accepted within 60 days from the date of tender, it shall be deemed to have been withdrawn.

- 8.6 The price of the Goods and/or Services is exclusive of any applicable Value Added Tax, and any other sales tax or duty, which Buyer shall pay in addition at the appropriate rate.

9. DESPATCH AND DELIVERY

- 9.1 Any time or date quoted by Seller for delivery of Goods or performance of Services is given and intended as an estimate only and subject to availability of stock or availability of labour. - 9.3 Buyer shall take delivery of the Goods promptly upon the delivery date or dates or at the intervals stated in the Contract or as soon thereafter as Buyer is notified by Seller that the Goods are available for delivery. If for any reason Buyer fails to call off or give delivery instructions, or take delivery of the Goods on the due date, or upon receipt of such notification, or otherwise causes or requests a delay in delivery, then, without prejudice to any other rights of Seller hereunder, Seller shall be entitled to store or arrange for the storage of the Goods and if it does so:
- 9.3.1 it shall so inform Buyer in writing, and
- 9.3.2 Buyer shall pay or reimburse the reasonable costs (including insurance) of such storage from the due date, or the date of notification as aforesaid, until delivery to Buyer.

10. PASSING OF PROPERTY

- 10.1 Notwithstanding the provisions of Condition 11, ownership of the Goods shall not pass to Buyer until Seller has received in full in cash or cleared funds:
- 10.1.1 all sums payable in respect of the Goods; and
- 10.1.2 all other sums which are or which become payable to Seller from Buyer on any account including any interest on such sums.
- 10.2 Until ownership of the Goods has passed to Buyer, Buyer shall:
- 10.2.1 hold the Goods on a fiduciary basis as Seller's bailee;
- 10.2.2 store the Goods separately to other goods of Buyer or any third party in a way that they remain readily identifiable as Seller's property;
- 10.2.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and
- 10.2.4 maintain the Goods in satisfactory condition insured for their full price against all risks and hold the proceeds of insurance on trust for Seller and not mix them with any other money, nor pay the proceeds into an overdraw bank account.
- 10.3 Notwithstanding Condition 10.2, Buyer may use the Goods in its production processes or resell the Goods before ownership has passed to Buyer. Any sale of the Goods by Buyer shall be solely on the condition that such sale shall be on Buyer's own behalf in the ordinary course of Buyer's business and Buyer shall deal as principal when making such sale.
- 10.4 Buyer's right to possession of the Goods shall terminate and the price of all Goods and Services shall become due and payable immediately if:
- 10.4.1 Buyer has a bankruptcy order made against it or makes an arrangement or composition with its creditors or (being a body corporate) convenes a meeting of creditors, or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking or any part thereof, or a resolution is passed or a petition presented for the winding up of Buyer or for the granting of an administration order in respect of Buyer, or any proceedings are commenced relating to the insolvency of Buyer;
- 10.4.2 Buyer encumbers or in any way charges any of the Goods or suffers or allows any execution to be levied on its property or obtained against it, or fails to observe or perform any of its obligations under the Contract or any other contract between Seller and Buyer, or is unable to pay its debts or Buyer ceases to trade.
- 10.5 Seller shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from Seller.
- 10.6 Buyer grants Seller, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where Buyer's right to possession has terminated, to recover them.
- 10.7 Where Seller is unable to determine whether any Goods are the goods in respect of which Buyer's right to possession has terminated, Buyer shall be deemed to have sold all goods of the kind sold by Seller to Buyer in the order in which they were invoiced to Buyer.
- 10.8 On termination of the Contract, howsoever caused, Seller's (but not Buyer's) rights contained in this Condition 10 shall remain in effect.
- 10.9 Buyer shall pay to Seller on demand on a full indemnity basis all costs and expenses (including legal expenses) incurred by Seller in recovering the Goods pursuant to Condition 10.6.

11. PASSING OF RISK

- 11.1 Goods for home market: in cases where Seller carries or arranges the carriage of the Goods, risk passes upon delivery by the carrier to or to the order of Buyer. In all other cases risk passes on collection from Seller's premises.
- 11.2 Goods for export markets: risk passes in accordance with the Incoterm that Seller and Buyer have agreed shall apply to the Contract. In all other cases risk passes on collection from Seller's premises.

12. LOSS OR DAMAGE IN TRANSIT

- In cases where Seller carries or procures the carriage of the Goods, Seller shall not in any event be liable for loss of or damage to the Goods in transit unless the following conditions are complied with:
- 12.1 in the case of any loss from a consignment of Goods or of damage to the Goods Seller must be notified in writing within 3 clear days of delivery to Buyer;
- 12.2 in the case of non-delivery of the whole consignment of the Goods, Seller must be notified within 21 clear days after the date of invoice.

13. PAYMENT

- 13.1 Goods for home market: unless otherwise agreed in writing, payment of the price in full is due on delivery of the Goods. For all e-commerce or online purchases, payment shall be made by credit card, authorization of which is required before the order will be processed.
- 13.2 Goods for export markets: unless otherwise agreed in writing, payment of the price is due upon the presentation of the invoice together with the appropriate documents of title and shipping documents. For all e-commerce or online purchases, payment shall be made by credit card, authorization of which is required before the order will be processed.
- 13.3 Services: unless otherwise agreed in writing, payment of the price is due no later than completion of the Services.

- 16.1 Buyer's material and parts shall be delivered to Seller's works free of all charge to Seller. All materials removed as part of the Seller's processes or as a consequence of performing the Services become the property of Seller and are allowed for in Seller's estimate or quotation.
- 16.2 Seller shall not be liable for the value of any materials or finished parts sent for fitting or other purposes, or for any loss or damage whatsoever and however caused, or resulting from the negligent performance or non-performance of the machining, cutting, fitting or other works specified in the Contract.
- 16.3 Buyer's materials or parts sent for fitting shall be suitable in every way for the machining, cutting or fitting specified in the Contract and Seller is to have no obligation to check such suitability. Buyer will pay Seller for work done and for consequential damage to machines and tools of Seller arising directly or indirectly from any unsuitability of Buyer's materials or parts as aforesaid.
- 17. LIEN**
- 17.1 In addition to any lien to which Seller may otherwise be entitled, in the event of Buyer's insolvency or failure to pay the price or any sum due under the Contract or any other contract with Seller (including any contract treated as a separate contract by virtue of Condition 9.2 hereof) Seller shall be entitled to a general lien on all goods of Buyer in Seller's possession for any sums due and unpaid under the Contract or under any contract between Seller and Buyer, and for the reasonable costs of storing, handling and insuring the goods during the exercise of such lien, which costs shall accrue from day to day.

- 18.2 Buyer warrants that any design or specification furnished or given to Seller shall not be such as will cause Seller to infringe any patent copyright design right, trade mark or other industrial or intellectual property right in the execution of Buyer's order.
- 18.3 Buyer warrants that any design or specification furnished or given to Seller shall be complete in every respect (including without limitation all necessary technical information) sufficient to enable Seller to manufacture the Goods and/or perform Services to comply with all applicable performance, durability, health, safety, conformity and labelling requirements whether of Buyer or Buyer's customer or howsoever arising at law and Buyer shall indemnify Seller fully in respect of loss, damages, costs and expenses incurred by Seller which results from any incompleteness in Buyer's specification or design.

- 19.2 If Buyer shall fail to perform its obligations in Condition 19.1 or shall fail to perform them in a timely manner Buyer acknowledges and agrees that Seller shall be entitled to delay performance of the Services until such time as Buyer has complied in all respects with its obligations in Condition 19.1 and to increase the price for the Services to reflect any increased costs to Seller caused by Buyer's failure to perform or late performance.
- 20. EXTENT AND LIMITS OF LIABILITY (DEFECTIVE GOODS AND SERVICES)**
- 20.1 Unless otherwise agreed in writing by Seller and subject to the provisions of this Condition 20, Seller guarantees all Goods of its manufacture against any defect which can be proved to Seller's satisfaction to have been caused by faulty materials or workmanship and which appears within 12 months from the date of despatch.
- 20.2 Should such defect appear within such period, Seller's liability will be limited solely to repairing, or at its option, replacing the defective Goods or part free of charge provided that Seller shall not be liable for such defect in any circumstances if:

In such case, Seller will submit to Buyer a quotation for repair of the Goods before effecting any repair;
- 20.3.5 Seller shall not in any case be liable under this Condition 20 or at all in respect of any Goods not of Seller's manufacture although Seller will do all that is reasonable at Buyer's expense to secure for Buyer the benefit of rights equivalent to rights which Seller may have against the supplier of such Goods; and
- 20.3.6 Seller shall not be liable for any costs of stripping or reassembling any equipment into which any of Seller's goods may be fitted.
- 20.4 Unless otherwise agreed in writing, Seller guarantees all Services performed by Seller against defects in workmanship for a period of 3 months from completion of the Services.
